SUMMARY OF THE REASONS FOR DECISION:

The CD-ROM slick entitled *World's Best Butts* is classified as:
Unrestricted.

It is a single sided piece of paper inserted in the CD-ROM case, which becomes a spine and back cover for the case. It advertises the CD-ROM *Untitled*, which is otherwise known as *World's Best Butts*. It contains some sexual references, such as "roundest rear ends", but these are not considered sufficiently explicit to warrant restriction. The Classification Office does not consider that the availability of the publication would be likely to be injurious to the public good. Therefore the CD-ROM advertisement is classified as unrestricted.
